

Proposed By-Law change to adopt a new Lodge Seal

Current Lodge Seal exists in this form currently. It is embossed seal for paper documents only

Design inspiration from a lodge that has closed

New proposed Lodge Seal in digital format. This seal will be used by the Lodge Secretary in all official lodge documents to make them official and they could remain digital/electronic and could be signed electronically. The seal would be placed in the spaced provided in the by-laws as intended in the original document and displayed and adopted for official used
