

GRAND LODGE A.F. & A.M. SOUTH DAKOTA

FIRE SUPPRESSION TOOL PROGRAM FOR LODGES

The Grand Lodge A.F. & A.M. of South Dakota is partnering with Fire Suppression Solutions LLC to offer a program for lodges and Masons in South Dakota to Engage in their community by offering a tool for saving lives, property and promoting Masonry!

FIRE Suppression Solutions, LLC

offers the Fire Suppression Tool (FST) The portable Fire Suppression Tool (FST) is a highly effective, environmentally safe aerosol fire suppression solution. The FST is a game changer in slowing the progression of fire, gaining first responders valuable and often critical minutes and seconds.

The FST can be deployed by anyone that can pull the pins and throw it in. In many instances, the early deployment of the FST cannot only suppress but even extinguish the fire!

visit www.firesuppressionsolutions.com for more information and videos

The program includes a lodge making a request to the Matching Grant Program within the South Dakota Masonic Charities and finding Law Enforcement/First Responders within their community that could benefit from having this tool available for their use. The Grand Lodge of South Dakota has been offered a partnership rate of \$899.00 for each unit which includes a carrying case featuring the seal of the Grand Lodge! A lodge must make the request and submit a Matching Grant Application to the South Dakota Masonic Charities including what the lodge is able to contribute to the cost of each unit. A successful lodge will receive information on presenting the unit and how to share their contribution within the community with the help of the Public Awareness Committee. Matching Grant Application available under User Resources in Grand View
